# CABIN TRENDS 2020

Custom design

KLEEMANN DESIGN TRENDS 2020

## Inspired

By contemporary aesthetics

We design inspired by real people, buildings, images, experiences, to create lifts that incorporate current trends and styles that people can identify with.

Pop, urban, hipster...

The outcome is unique, expressive and modern, with lifts that combine a fresh stylistic personality together with top notch technology and function.

## Design

Your custom lift according to your aesthetics

Brushed steel texture

Custom laser cut panel

Whiteboard wall

Custom print panel

Retro tile floor

Mortar texture panel

Wood surfaces

Vinyl floor

## Order

Choose from the following six cabin designs or contact or customize your lift according to the TRENDS 2020 inspiring prototypes Check the ideas of mixing textures and materials to express an aesthetic style. Create lifts with character and emotional value to users. Contact Design Department for more.
